Gary,

I will stop by tomorrow and we can talk about the new fact sheet and please let me know if there are any specific questions you want us to ask on our visit in the neighborhood. Our new CIC, Joan Drammeh, will be coming with me. She is going to assist me on a few of my more active sites as an introduction to some of the things we get involved with.

We get in at 10:00, but the Health Dept. won't be there till noon. We will probably meet them at that great seafood spot for lunch and finalize out plan of attack.

Thanks,
 Bill

Hello:

The flyer looks good to me.

Subject: CES Environmental Services Door-to-Door

In response to community concerns, the Texas Department of State Health Services (DSHS), Health Assessment and Toxicology Program (HAT) staff will be visiting residents in the neighborhood near the CES Environmental Services site (4904 Griggs Road, Houston). The purpose of the visit is to gather residential concerns that are related to the site. We will be in the community November 19-20, 2014. We can be reached at 512-981-8397. The attached door flyer will be distributed.

Please forward this information as needed and contact me if you have any questions.

Thank you,
David
